

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently amended) A vehicle lamp comprising:
[[A]] a lamp body for holding therein a light source;
a lens mounted on the front of said lamp body; and
a carbon-based heating element mounted within said lamp body and apart from said light source and said lens,
wherein heat rays radiated from said heating element irradiate a rear surface of said lens, and
wherein the carbon-based heating element does not interrupt light rays from the light source to the lens.
2. (Currently Amended) A vehicle lamp according to claim 1, further comprising a glass tube for sealing therein said carbon-based heating ~~heating~~ element.
3. (Original) A vehicle lamp according to claim 1, wherein said carbon-based heating element contains amorphous carbon and carbon powder dispersed in said amorphous carbon.
4. (Original) A vehicle lamp according to claim 3, wherein said carbon-based heating element further contains a metal or metalloid compound.
